

Details for June 23rd Recital

What Recital Day Will Look Like:

Our show is taking place at the **MUN SCHOOL OF MUSIC**.

Please drop students off to **THE CHORAL ROOM**. We will be there 90 minutes prior to show time to start signing children in with us - their staging rehearsals will start 60 minutes prior to showtime.

You can then go to the main doors of the **DF COOK RECITAL HALL** and wait to be let in to the theatre. Students will have a mini-staging rehearsal/walk through during the time parents are being seated.

Their **STAGING REHEARSAL** will take place one hour prior to show time, so please make sure all students arrive **promptly one hour before show time**. If your child is late, they may miss this important rehearsal!

Recitals will be 60 to 90 minutes in length with no intermission.

FOOD

Please don't pack snacks or food for your children - water only! We don't want to soil our costumes. Our shows will not be long. Have a good meal before you come :D

MAKE UP

- Students can wear make up if they wish, but it is not a requirement.
